Dear Mr. Puckett

I received your letter and the news letter named, "The Kingdom" dated November, 2002. I must thank you on one hand and on the other hand I am very fearful. Why? You see I received an anonymous post card with no return address and all that was on it was, remember your vow to the U.S. Air force. I became fearful and destroyed all evidence that I had to assure the safety of my family.

What I did not tell you was that I had one photo of the encounter that President Kennedy had with the alien, I destroyed it. I am thank full that the truth is now out their. However, I now am fearfully that the people responsible might target you, me and perhaps my family, and perhaps you and your staff. I hope to God not!

Please inform me if possible how many copies of this news letter is distributed and to who, and if you feel that these people that see it will pose a danger to you or to myself.

Thank you for your bravery and your tenacity, keep up the good work.

Yours truly,
